

MS FRAM

MS Fram is our newest ship, built in 2007

© Backpack Foto

MS Fram brings on the heritage of the original Fram, taking the most advanced technology making it extraordinarily suited for expedition voyages in Polar Regions. Fram means forward – lifting expectations of the voyage at hand.

Of the 127 comfortable cabins a number of them are superior and have names after Norwegian polar heroes. The spacious outside decks include accessibility to the very front of the ship – a great place to

observe marine wildlife. We are very proud of the art commissioned for MS Fram – local artists from the Arctic have contributed making her a modern masterpiece. After dressing up for shore side excursions

and expedition landings you meet at our “tender pit” where we safely embark our sturdy Polar cirkel boats take you safely and efficiently from ship to shore.

Ship yard:	Fincantieri, (I)
Year of construction:	2007
Gross tonnage:	11 647
Passengers:	318
Cabins:	128
